

Time Talent and Resources

Everyone supports the school in their own way. Together we can help fill the gap between the tuition and the actual cost of each child's education.

Fundraising

Each family needs to bring in a minimum \$350.00 in fundraising for 1 child and an additional \$50.00 for each additional child.

Fundraising includes buying tickets for our Autumn Night dinner and auction, a Fall fundraiser sponsored by the Parent Guild like Cherrydale, and a spring fundraiser like the Cookie Dough sale. You receive a credit of approximately 45% of your gross sales toward your goal.

Scrip sales also count toward your fundraising goal and the rate varies according to your purchases.

Please choose an option below

_____ I will participate in school fundraisers.

- I understand that the top three fundraising families who raise at least \$750 will receive \$100 of free SCRIP
- If you do not reach your fundraising goal bills will be sent out in the spring for any difference between our commitment and what you have raised.

_____ I wish to buy out of fundraising and have attached a check for the full amount.
